Meet your outreach team

Our Market Outreach team is here to support you in helping Veterans and CHAMPVA beneficiaries access VADIP benefits. Let's meet them:

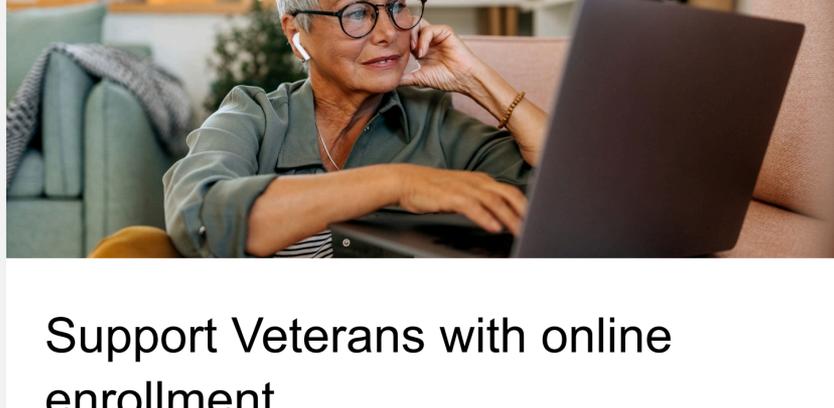

Tammy Hunter covers states west of the Mississippi and has worked with Veteran and CHAMPVA populations for over 30 years. She enjoys helping VSOs share the benefits of VADIP and attends Veteran conventions throughout the year.

Doug Schobel supports states east of the Mississippi and has served Veteran populations for more than 30 years. With strong family ties to the military, he is dedicated to assisting those who served.

Support Veterans with online enrollment

Online enrollment for VADIP is simple, secure and available 24/7 year-round for Veterans and CHAMPVA beneficiaries.

They can choose from three PPO plans, all with 100% coverage for in-network cleanings, exams and X-rays. We negotiate rates with network dentists, saving Veterans up to 40%.¹

Help Veterans register for our member portal

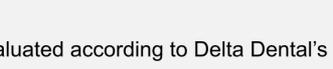

An online account can help VADIP enrollees get the most from their coverage. Through the member portal, they can find a dentist, review claims, manage payments, print ID cards and go paperless.
