## Why owning a dental network is a good thing

Not all dental networks are the same. Discover how Delta Dental's proprietary network delivers better care and more savings for Veterans.

## Celebrating VADIP in the community

This year, Delta Dental's VADIP team has been out in the community, partnering with organizations and taking part in events that support and celebrate Veterans. Here are two highlights:

- Women Veterans Alliance's Engage Conference — we sponsored the conference and were featured on [The Balancing Act with Montel Williams](#) for a segment on how women Veterans are redefining leadership.
- [2025 DAV Winter Sports Clinic](#) — we were a national sponsor and shared inspiring moments from Veteran athletes across our social channels.

Keep an eye out for us at upcoming events and online as we continue to connect with Veterans and share stories from around the country.

## We need your feedback

Take a quick 3 minutes and complete our VSO survey. All responses are anonymous, and we'll use your feedback to better support and serve our VSOs and VADIP enrollees.
